Scratch DJ Academy: Beaches is proud to partner with Scratch DJ Academy to offer a “DJ 101” programme for tweens, teens and families alike. Headquartered in New York City, with locations in Los Angeles, Chicago and Miami, the academy was started by Rob Principe and Jason Mizell (of Run DMC fame) in 2002. Its aim is to educate and give the teens and tweens a form of entertainment that they would not normally be privy to. It is a very participative and hands on fun activity, utilizing copyrighted curriculum and state-of-the-art equipment. Guests will learn the basics of mixing, blending and scratching. Upon completion, participants will have the option to perform live for their friends and family. Teens that complete the programme will also get to do spin sessions with the resident DJ in Liquid by Beaches.

X Box Play Lounge: Beaches Resorts has partnered with X-Box to bring the most exciting and powerful gaming experience to our resorts in our state-of-the-art X-Box Play Lounge.
